_____ 1 – Not at all _____ 2 _____ 3 _____ 4 _____ 5- Very

10. Using a scale from 1 to 5, with 1 being “not at all aware” and 5 being “very aware,” how aware of these efforts are most adults in the community?

SPF SIG One-on-One Interview Synthesis Form

_____ 1 – Not at all _____ 2 _____ 3 _____ 4 _____ 5- Very

11. Using a scale from 1 to 5, with 1 being “not at all aware” and 5 being “very aware,” how aware is the community about underage drinking laws in general?

_____ 1 – Not at all _____ 2 _____ 3 _____ 4 _____ 5- Very

11a. And how aware is the community about laws for providing alcohol to minors in general?

_____ 1 – Not at all _____ 2 _____ 3 _____ 4 _____ 5- Very

INTERVIEW SUMMARY

Please respond to the questions below based on the information you learned across all of the interviews you completed. The goal is to identify patterns from all of the interviews, rather than to report out results from each specific interview.

Alcohol use in the community

Paying particular attention to responses to questions 1, 2, 3, 4, 5, 6, and 7, please consider how the participants you talked to feel about alcohol use or binge drinking among youth and young adults in the community.

- What were the **common themes**, including thoughts or opinions that multiple people shared or that a couple of people shared repeatedly?

- What were the **differing themes**, including when different opinions about the same topic were strongly supported or very distinct?

Efforts to reduce alcohol use

Paying particular attention to responses to questions 8, 9, 10, 11, and 12, please consider how the participants you talked to described any current efforts or possible future efforts in your community to reduce alcohol use or binge drinking among youth and young adults.

- What were the **common themes**, including thoughts or opinions that multiple people shared or that a couple of people shared repeatedly?

SPF SIG One-on-One Interview Synthesis Form

- What were the **differing themes**, including when different opinions about the same topic were strongly supported or very distinct?

Vision and challenges

Paying particular attention to responses to questions 13 and 14, please consider how the people you talked to discussed the community's vision and challenges in reducing alcohol use or binge drinking among youth and young adults.

- What were the **common themes**, including thoughts or opinions that multiple people shared or that a couple of people shared repeatedly?

- What were the **differing themes**, including when different opinions about the same topic were strongly supported or very distinct?

Other themes

Beyond the themes listed here, what other common and differing themes emerged in the interviews, if any?

- What were the **common themes**, including thoughts or opinions that multiple people shared or that a couple of people shared repeatedly?

SPF SIG One-on-One Interview Synthesis Form

- What were the *differing themes*, including when different opinions about the same topic were strongly supported or very distinct?

SYNTHESIS REFLECTIONS

Now thinking about the interviews overall, please answer the following questions about the participants' views on preventing alcohol use or binge drinking among youth and young adults.

What did you find particularly surprising?

What did you hear that you expected to hear?

What was new information?

What are the two or three things you learned that are most important for you to share with your coalition?
