

**SPF SIF – Key informant phone interviews with community leaders**

Hi my name is \_\_\_ and I am calling on behalf of [COALITION NAME]. As you may know, in 2012 the [COALITION NAME] was awarded a grant from the Minnesota Department of Human Services to address alcohol use and binge drinking among youth and young adults.

As part of the evaluation, we are interviewed selected community leaders about alcohol use and binge drinking among youth and young adults in [COMMUNITY SERVED]. You were selected as an important person to talk to. We’d like to hear your perspective, regardless of whether you are familiar with [COALITION NAME] or work directly with youth.

The interview will take about 20 minutes to complete depending upon your answers to the questions. Is now a good time to do the interview?

Which community do you feel you belong to or represent? [This may be a city or town, county, school district, or cultural community.]

To start, I have a few questions about how alcohol use among youth and young adults has changed over the last two years.

- 1. In the last two years, to what extent has alcohol use among youth in grades 6 through 12 changed? Would you say it has . . .
