Saturation Patrol and Place of Last Drink Tracking Sheet

This tracking form is used to collect and track data during saturation patrols. Information should be entered in each cell for every vehicle that is stopped. If place of last drink information is sought from a stopped driver, the following may be asked: Where did you have your LAST drink? If the last drink was at a BAR, RESTAURANT, or CLUB the driver should be asked: What is the name of the bar or restaurant? The response should be recorded in the far right column.
